U OF T ENGINEERING ALUMNI NETWORK'S 2017 AWARDS DINNER

Thursday, November 2, 2017
Great Hall, Hart House

BOUNDLESS

OVERVIEW

U of T Engineering enjoys a reputation as one of Canada's leading engineering programs thanks to the efforts of the students, faculty, staff, alumni and friends who make up our community. The Engineering Alumni Network Awards Dinner celebrates and recognizes many distinguished alumni for their outstanding achievements professionally, academically and in the community.

The Engineering Alumni Network (EAN) recognizes the key role that the Awards process plays in facilitating the development and advancement of the Faculty by:

- » Promoting the advancement of the Faculty by recognizing specific accomplishments of graduates who have distinguished themselves.
- » Providing specific examples of graduates that have helped establish the Faculty's reputation as one of Canada's leading engineering schools and among the world's best.
- » Reinforcing, by example, that the Faculty is one of the world's most exciting and rewarding places to pursue both undergraduate and graduate studies.
- » Recognizing the innovation, leadership and contributions to the community that its graduates provide.
- » Promoting the award recipients as role models to current and future students.

AWARDS

The EAN Awards Dinner celebrates and recognizes excellence across a broad range of engineering endeavors including professional and academic achievement, meritorious community service, and contributions to the community. The event brings together industry stakeholders, business leaders, faculty, student leaders and many more in celebration of alumni excellence and to recognize the diversity of accomplishments of University of Toronto Engineering Alumni.

PROMOTION

The EAN Awards Dinner is promoted by the Faculty of Applied Science & Engineering at the University of Toronto through:

- » Alumni Website – alumni.engineering.utoronto.ca
- » Skulematters – U of T Engineering's annual alumni magazine – approximately 37,000 in circulation
- » Quarterly eNewsletter – October issue – approximately 24,000 in circulation
- » Social media – Facebook, Twitter, Engineering CONNECT
