

ENGINEERING STUDENT CLUBS NEED YOUR SUPPORT

LAST YEAR, ONLY 38% OF
REQUESTED STUDENT CLUB
FUNDING WAS FULFILLED

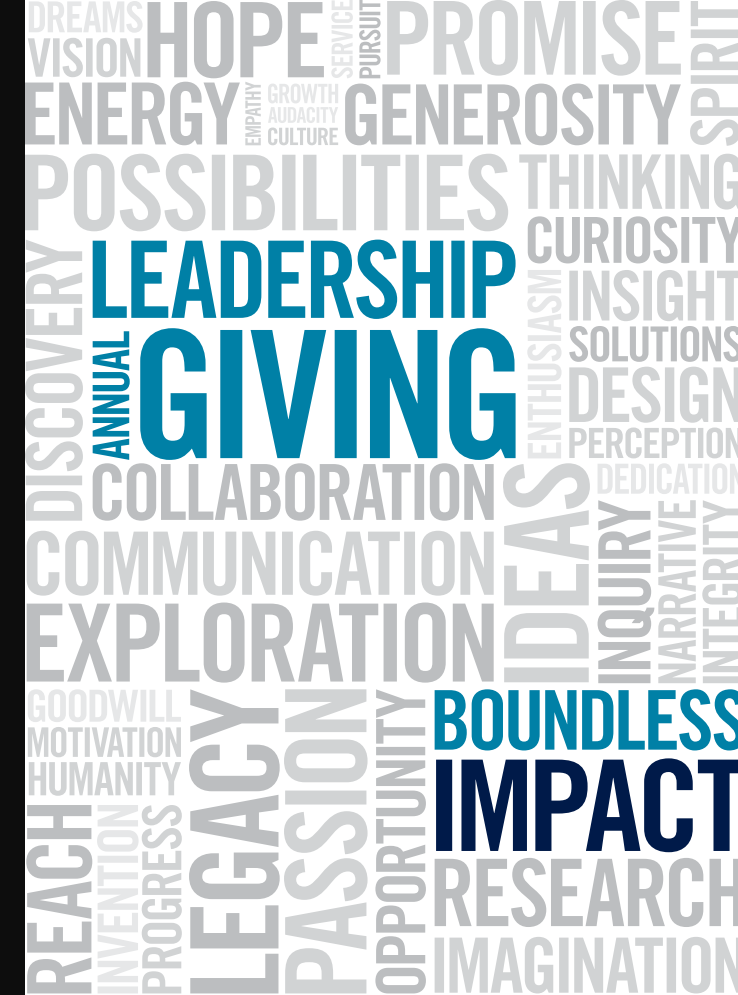

ANNUAL LEADERSHIP GIVING The Cornerstone of Excellence

Annual leadership giving provides vital funding that impacts students in meaningful ways every day. The generosity of supporters, like you, helps to advance U of T Engineering's highest priorities and gives flexibility to seize new opportunities to improve the Skule experience.

Every gift makes a difference. Your contribution will enhance scholarships, attract world-class lecturers, improve student resources and programs, and aid a myriad of initiatives that are the cornerstone of U of T Engineering's enduring impact on the world around us.

Renew your Skule™ pride with your annual leadership gift today.

To donate, complete and submit the attached form or visit:

YOUR ANNUAL SKULE™ SOCIETY GIFT WILL SUPPORT:

Research Opportunities

\$15,000 can provide an advanced learning experience for two students through a hands-on summer research opportunity abroad.

Student Scholars

\$5,000 pays half of one deserving student’s tuition through an academic merit, financial need or leadership-based scholarship.

Experiential Learning

\$1,500 boosts vital operating funds for student clubs and activities like Engineering World Health, UTEK, Women in Science & Engineering (WISE), Blue Sky Solar Racing and Tetr@UT, where students put theory to practice and build valuable leaderships skills.

Emerging Opportunities

Unrestricted gifts allow us to direct funds to where they are needed most. They support innovation and allow Faculty leaders to respond to new opportunities that keep Skule™ at the forefront of engineering education.

WHY GIVE TO SKULE™?

Your gift has the power to spark the creativity and imagination of our students and faculty, to pioneer innovative research, and to positively influence global change.

“The impact my Skule™ education has had on my life is why I give back. My contributions allow talented engineering students to focus on their education rather than worrying about how to pay for it. I am confident one day they too will appreciate what was given to them and also give back when they are in a position to do so.”

JOHN BAJC, CivE 8T2, P.Eng., CFP

*Senior Executive Financial Planner,
Investors Group. Skule™ Society member
for more than 10 consecutive years.*

“I give back because Skule™ provided me the opportunity to explore my passion for robotics. I am grateful for my Skule™ education and cherish the memories it has created.”

RAMY GHATTAS, MechE oT9

*Project Engineer, NDE Projects, Ontario Power
Generation. Former President, U of T Robotics
Association. GOLD Skule™ Society member*
