University of Toronto

Faculty of Applied Science & Engineering

2011-2012

## Our Thanks to You

Since arriving at the Faculty of Applied Science & Engineering a year ago, I have been overwhelmed by the sense of community and enormous goodwill among our alumni and friends. This pride of association is part of what distinguishes

both U of T Engineering and the profession. (I notice iron rings everywhere I go these days!)

This *Honour Roll* is dedicated to recognizing one of the important manifestations of this pride: your generous support of this Faculty.

I offer my deep appreciation to the hundreds of people — alumni, friends, faculty, staff, students and parents from around the globe — who each year show their confidence in Skule™ by investing in the extraordinary teaching and research that is paramount to the Faculty's preeminence. Your support is key to our success.

With the launch of Engineering's component of U of T's Boundless campaign in September, we ensure our ability to prepare global citizens and meet global challenges. I hope that you are as inspired as I am by the incredible potential revealed in the special campaign issue of *Skulematters*. Our faculty and students are making a difference in Canada and around the globe in ways never imagined just a few years ago.

Thank you for joining me in supporting their enormous creativity and drive.

Sincerely,

Jim Dawson

Executive Director, Advancement

"The Gratitude initiative is important because it supports student clubs – which contribute hugely to the spirit of our Skule™ community and our growth as leaders. Experiences in these groups train us to be more well-rounded problem solvers. As Chair of the Gratitude campaign for 2012, I am extremely proud of what we have achieved ensuring that these opportunities will exist for future students."

## A NOTE OF THANKS

We are grateful to the more than 2,800 alumni, parents and friends who made gifts in 2011-2012.

Every effort has been made to ensure the accuracy of these lists. We recognize, however, that no record of this magnitude is likely to be perfect and apologize for any errors or omissions which may have occurred. Please bring any corrections or concerns to the attention of Cynthia Nevins, Development Associate, 416.946.7827 or [nevins@ecf.utoronto.ca](mailto:nevins@ecf.utoronto.ca) so that we may ensure accuracy for future publication.

## ANNUAL FUND

Annual fund gifts from alumni, parents and friends are at the heart of philanthropy at U of T Engineering. These gifts – whether unrestricted or designated to a department, program or initiative – provide the Faculty with a base of support upon which it builds.

### SKULE™ SOCIETY DONORS

The Faculty of Applied Science & Engineering is grateful to the following members of the Skule™ Society for their generous and ongoing support. Their annual gifts of \$1,000 to \$24,999 (or of \$250 and above for current students and young alumni of the last decade) provide an enhanced student experience, contribute to Faculty excellence and improve our labs and classrooms. Donors listed below have made leadership gifts or pledges to the Faculty between **May 1, 2011 and April 30, 2012**.
